1955

It was mine
being up to
around up to
Keep it be
Good Don't be
Be Careful
Helen

Best luck to you
and keep up the
effort you have for
doing school work. I
wish you all the
happiness and hope
you will become
famous with your
work.
Love of Love,
Her nice

Cynthia / to Fran
Better late
never, they always say -
It's been so nice to know
you - old what a year - What
we had last year - What
a year this will be too but
Gretchen had this year, but
not too hard - I'll make
you a deal - you come
to my recital. I'll come
to yours - O.K. - We'll
both go "Bats" 2/9ether -
Love,
Joyce

We have the great pleasure of introducing to the public for the first time Me Think'um. We found him roaming about the campus one bright autumn day. He told us he was the original Indian guide and as he had nothing else to do (no employment for guides these days) we put him to work in the annual.

Me Think'um will guide you through the rest of the book.

Lead on, Me Think'um.

The 1955 Prairie Smoke

Dedication

1955 Prairie Smoke

Dr. A. C. Selke

In appreciation for 27 years of friendship, understanding, and service, we dedicate the 1955 Prairie Smoke to Dr. A. C. Selke, Professor of Geography and Chairman of the Social Science Department.

We thank him for his contributions in the museum, for his field trips (oh, what field trips), for his contributions to the written history and geology of North Dakota and particularly of this area.

Who's Who

VALERIA KUHN

Leonard Lardy, Carol Spoer, William Rolshoven, Ellsworth Mayer, Valeria Kuhn, and Marvin Weiss were selected for recognition in the 1955 National Publication, "Who's Who in American Colleges and Universities."

They were selected on the basis of scholastic standings, leadership, promise of future usefulness to society, character, and participation in activities.

One of the first places that Me Think'um guided us to this fall was the football field. Here we find'um Savages passing little pigskin around. Me Think'um not understand game so Captain Chuck Wilz comes over and explains the game to our little Indian friend.

Me Think'um hear all about games with teams like Bismarck who the Savages beat 53 to 6. After the first game the season went like this:

Moyville	7	Dickinson	20
Bottineau	0	Dickinson	45
Minot	59	Dickinson	19
Valley City	32	Dickinson	13
Jamestown	38	Dickinson	7

Front row, left to right, Ted Jecker, Don Kastelecky, Ken Johnson. Back row, left to right, Dick Kastelecky, Al Schoenborn, Bob Wilkens, and Coach Forrest Lothrop.

Me Think'um like tennis and Me Think'um especially like'um SAVAGE tennis team. They play'um pretty good ball. The 1954 tennis team was composed of Captain Bob Wilkens, Al Schoenborn, Ted Uecker, Don Kastelecky, Dick Kastelecky, and Ken Johnson. The coach of the team is Forrest Lothrop. The team played in competition with other teams in the North Dakota Intercollegiate Conference. Bob Wilkens and Al Schoenborn won the doubles championship. Wilkens defeated Schoenborn for the singles championship.

Track

First row Edwin Sahaydak, Don Simon, Bernard Schultz, Wayne Deltman, Don Duda, Ted Easton, Jack Kreitinger, Bill Redmond, Albert Jacobs. Second row Captain Joe Wax, Charles Wilz, Edward Riedl, Elmer Weber, Ted Sanders, Kenneth Heinle, Dale Wetzel, Wayne Davison, Coach Harry Weinbergen.

The DSTC track team of 1954 was not quite as powerful as those usually put together by Coach Weinbergen. Conference competition which was tougher than usual kept the Blue and Gray thinclads from winning any track meets. Despite the efforts of Captain Joe Wax, who collected 10 points for a tie for second place in scoring honors, and the rest of the team, their total of 38½ points was good only for third place in the triangular meet. Bismarck JC took first place honors with 68½ points. The next event the Savages were scheduled for was at Jamestown. Their 13 points in the eight team

meet was good only for sixth place. Aberdeen, South Dakota scored 75 points to win the meet. Bismarck, Jamestown, and Minot once more bested the Dickinson team in a match at Bismarck. Jamestown won the match with 61 2/3, Minot and BJC each had 38, Dickinson 16 1/3, and Ellendale 11. After a two day meet involving eleven schools the Savages came home with only seven points. Jamestown was the site of the final meet of the season. It was the NDIC meet with all nine schools competing. The Savages were fifth with 11 points. Valley City went home with top honors.

The Savages opened their 1954-1955 season in typical Savage fashion. They won their first eight games, defeating teams from Montana, South Dakota, Minnesota, as well as those from our home state, before their record was blemished by a 81-78 loss at Spearfish. The Savages set a number of team records as well as one conference record.

In the first two games they played Eastern Montana College of Billings and sent the visitors home with 81-73 and 90-86 losses. Uecker collected half of the teams 90 points the second night to set a new school individual scoring record for one game. Next was a road trip to the Capital City where they beat their old rivals, BJC by a 76-68 score. Northwest College of Minneapolis looked like a tough team when they came to Dickinson. Their team had more height than any other that the Savages played this season but when they went home there was another loss on their record, for the Savages had whipped them 84-66. Several nights later Spearfish STC came to town with intentions of stopping the high-flying Savages. When the game was over Dickinson had another scalp and the South Dakotans went home with an 80-64 loss.

The Christmas turkey and the holiday lay-off did not stop the Savages from bringing home more scalps. They beat Spearfish 82-74 and Minot 86-81 to win the Holiday Tournament Championship at Dickinson for the second straight year.

From the north came Bottineau School of Forestry for a conference game. Nearly all the 14 Weinbergen men who dressed for the game got into the scoring column as the Foresters were handed a 92-46 defeat.

In the road again, they were handed their first defeat the Foresters were handed a 92-46 defeat.

On the road again, they were handed their first defeat at Spearfish. At one point of the ball game the home-standing Spearfish crew led by 26 points. Time ran out before the Savages could close the gap completely. After that loss, things didn't go so well. At Jamestown, the red hot Jimmies handed Dickinson its first conference loss by a 96-67 score. The Comets defeated the tribe 90-80 at Mayville. The Savages, playing on their home court later got revenge as they turned back Mayville 79-71. The "hilltoppers" clipped Wahpeton Science 86-75, and Valley City 86-75 before losing at Ellendale by a staggering 90-60 score.

Another rival, Minot, by now had climbed to the conference lead and was next on the Savages schedule. The teams played very carefully and the game was close all the way. The Beavers pulled away in the final minutes and won 76-83. The Savages avenged the earlier loss to Jamestown when they played host to the Jimmies. The final score: 72-65. The next three games were with teams that ended their seasons play in first, second, or third place in the conference. At Minot the Beavers, who won the conference title, again defeated the Savages. At home again, Ellendale and Bismarck came out on top in 89-73 and 84-69 scores respectively. At Bottineau, the Dickinson cagers took an easy 77-59 win over the Foresters, but at Dickinson, Valley City gave their hosts a rough fight although the Savages did come through to win 83-74. That was the last college game for Seniors Ted Uecker, Roger Huffman, and Capt. Pudge Beaudoin. Uecker made a big night of it as he made 20 out of 23 free throws to beat the old conference record of 18 in one game. Several other school records were set. The total of 1707 points the team scored during the season is a new high. Their game average of 77.59 is also the highest. Big Phil Kahler's average of rebounds per game is a new high in the rebounding department. Bud Perry's field goal percentage, 48.6%, is a record. The team as a whole made over 40% of their field goal attempts - a new mark also. Ted Uecker scored more points, 535, than any player ever has for DSTC in one season. His free throw percentage (83.69%) is also a new record.

The team ended the season with 14 wins and 8 losses. They tied with Wahpeton for fourth place in the conference with identical 8-7 records.

Dedication

To Mr. Peter Hnottavange, Principal of Model High School, we, his students, affectionately dedicate our section of the 1955 Prairie Smoke.

Mr. Hnottavange came to Model Hi in 1950, as assistant to Mr. Iver I. Grindstuen. Two years later, upon the retirement of Mr. Grindstuen, he became our Principal.

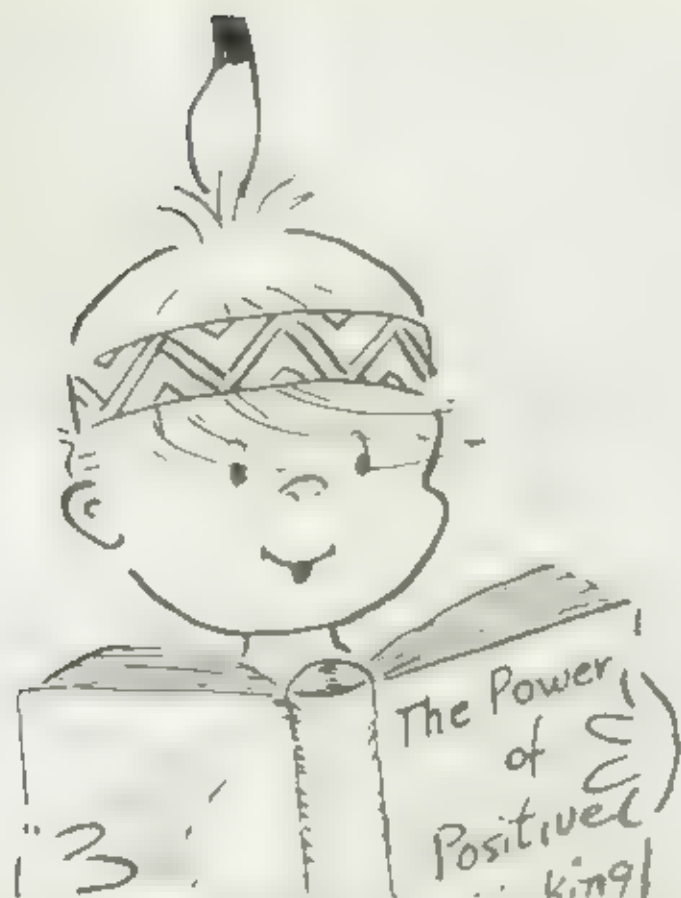

A native of Pennsylvania and a graduate of the McClellandtown, Pa., High School, Mr. Hnottavange took his B.A. and M.A. Degrees at Colorado State College of Education at Greeley. Later he taught at Julesburg, Colorado. For four and a half years he served with the Army Air Corps with the rank of sergeant, during and following World War II.

In the field of education Mr. Hnottavange majored in social studies and minored in English. He holds memberships in Phi Alpha Kappa, Educational Fraternity and Phi Alpha Theta, Historical Fraternity.

Mr. Hnottavange is married and has a very charming little daughter, Mary.

The Seniors of Model High School are proud to have been with Mr. Hnottavange during most of his time on our campus. He has been a capable leader in promoting the activities of the school. Under his guidance our student Council was organized. It was through his efforts that we now have our own basketball coach. We may make the claim of being the first school in Dickinson to offer a course in Behind-the-Wheel Driver Education as a result of his foresight. He is interested in us, the students, and in our teen-age problems.

His high ideals of character and his determination to make every student a good student are evident in all his work with the school. Every student respects and admires him, and each one of us will remember him as the center of our high school life.

This is Bobby the Brave, he came here along with his little sister Princess Penny, as representatives of the future students of Model High School. He was so intelligent that he received no grades. You will find Bobby and Penny popping up in almost all of the activities shown in the annual.

The 1954-55 Model High School Student Council operated efficiently and ably under the competent leadership of President Norman A. Smith. Regular meetings were held throughout the year. All students' ideas were given thorough consideration, and as a result student activities increased and improved. This year's Council members should be proud of the splendid and valuable services they have rendered to Model High School.

I'm here too.

Hard-hitting determination, loyal support of the student body, and the able coaching of Forrest Lothrop have brought the Braves through another relatively successful season.

With a record of wins and losses as compared with the previous season's record of wins and losses, the Braves are making a berth for themselves in conference play. This record looks even better when the Braves' total score of 979 is placed against their opponents' 1032 a difference of only 53 points for the nineteen games played.

For the second successive year the Braves won the opening night game in the District 7

Class B tournament. In this game Kenneth Wanner, a key man on the squad, suffered an injury which took him out of tournament play. His loss was a serious blow to the Braves, but, although the score boards showed defeats in successive games, the Braves were by no means defeated in spirit.

The squad will lose four Seniors this year, among them high scoring Captain Wilfred Kovash, but with a good reserve and some well-trained hoopsters coming in from Bob Burda's successful "B" Team the Braves have hopes for a victorious '55-'56 season.
